

# TE RUNANGA O TE WHANAU

To Whom It May Concern:

This is to certify that we engaged iWeb Technology Solutions Pvt. Ltd. to provide us with its 100% Web Based ERP solutions. 'iWeb Enterprise Suite' will provide a composite solution for our organization where we are into various business right from Cray Fish Exports to Housing Development, Various kinds of Social Services - like Health, Into Businesses like IT Support, Computer Training.

We have been given complete demonstration of iWeb Enterprise Suite and its methodology by iWeb Team. We needed totally customised processes for all of iWeb module. At this stage iWeb has successfully implemented customised HRM, FRM and Invoice modules and now they are working on CRM and SCM for us. We are extremely satisfied with the progress of the project.

We appreciate & are happy with the services & support provided to us remotely during the implementation stage by iWeb.
